## Reaching New Heights...

**CLIMB TOWARD YOUR FUTURE WITH THE HIGHEST INTERNATIONAL HONOR  
A BUSINESS STUDENT CAN ACHIEVE.**

And reaching impressive heights is something you have grown accustomed to; something that will continue long after graduation.

Corporate recruiters actively seek Delta Mu Delta members because they know their outstanding leadership potential.

Only a select few are invited to join. If you are the best of the best, membership in Delta Mu Delta can help you scale above the crowd.

**CHAPTER CONTACT:**

Posters appear on the Supply Order Form as a unit of one-pair. Scholarship posters appear as sets of three.

If you would like to alternate between say, 50 classrooms, we suggest ordering 25 pairs of marketing posters and 50 individual scholarship posters and alternate one scholarship with one marketing in each room. Just place your desire in the comment box, overruling the standards sets.
